## Enocean wireless smart plug

|               |                                                                        |
|---------------|------------------------------------------------------------------------|
| Model number: | <b>SCO-WE-F - Schuko (German)</b><br><b>SCO-WE-E - Type E (French)</b> |
| Mounting:     | In-field; power outlet                                                 |
| Dimensions:   | 104 × 51 × 36mm                                                        |
| Connection:   | Wireless Enocean                                                       |
|               | <a href="#">MC-230-01</a>                                              |
|               | <a href="#">MC-230-03</a>                                              |
|               | <a href="#">MC-24-01</a>                                               |
|               | <a href="#">MC-24-03</a>                                               |
|               | <a href="#">MC-24-05</a>                                               |

- Smart Actuator
- High power capacity
- Ergonomy

## Technical specifications

|                         |                                       |
|-------------------------|---------------------------------------|
| Power:                  | 230V AC 50Hz (EU) / 110V AC 60Hz (US) |
| Max switching capacity: | 3.000W (Continuous)                   |
|                         | 3.680W (Temporary) on resistive load  |
| Self consumption:       | < 1W                                  |
| EEP (EnOcean Profile):  | EEP D2-01-0A                          |
| Range:                  | Up to 30m indoor                      |
| Wireless repeater:      | Yes                                   |
| Dimension:              | 104 × 51 × 36mm                       |

## Certifications and standards
